To Whom it may Concern:

We have been doing business with CBF Services for 10 years. In that time their staff has been friendly and helpful to both my staff and our patients.

CBF Services system is extremely user friendly. We can enter all our accounts through there secure, HIPPA compliant website as well as pull reports on their progress, which is very convenient for us.

They continually recover a great percentage of our outstanding debt and in a manner that is not intimidating to our patients. Knowing that CBF treats our patients with the respect they deserve is very important to our company.

I would highly recommend CBF Services for any company that is concerned, not only with their accounts receivables, but also with their image in the community.

Sincerely,
